# SUMMITS IN SOLIDARITY

FOSTERING RACIAL JUSTICE  
AND EQUITY OUTDOORS

## **Our mission:**

We foster justice and equity for Black, Indigenous, and People of Color (BIPOC) by amplifying BIPOC voices in outdoor spaces, supporting anti-oppression and anti-racist efforts, and mobilizing hikers and outdoor recreation community members to dismantle white supremacy.

## **What we do:**

- 1) We strive to raise \$25k for BIPOC justice work from outdoor spaces across the country every June.
- 2) We help white people identify and dismantle white supremacy through the Me and White Supremacy challenge.
- 3) We share resources from BIPOC speaking and writing about the outdoors.
